Kindergarten Boot Camp

Maximize your child's potential prior to entering Kindergarten with this skills and drills Boot Camp. The curriculum is based on the criteria set forth by the ISD's in this area for Kindergarten success. Each child will be assessed and the program will be individualized to his/her specific needs. During the month, children will work in small groups, do drill practice, play skill building games and review. We will build a solid academic base while filling in any gaps that may exist. Kindergarten Boot Camp will allow your child to gain new knowledge and retain what they already know over those long summer months.
