

Safety Measures in Place

- **Health policies are strictly enforced.**
- **Children and staff wash hands immediately upon entering the classroom.**
- **Student to teacher ratios are lower than state requirements.**
- **We space children out during group activities and when lining up.**
- **We have enhanced our cleaning, sanitizing, and disinfecting procedures to follow CDC standards.**
- **Teachers clean and disinfect each room three times a day.**
- **Our janitorial service uses a hospital grade disinfectant.**
- **Our top priority is to keep your children safe and healthy!**
